

QUALITY POLICY

The ChemPro's Quality Policy provides the foundation for all business activities within the organization. It is to provide our best and seamless quality services to our customers. ChemPro offers tailor-made and value-add logistics services which include but are not limited to:

- Provision of training
- Provision of audit services
- Consultation for the logistics supply-chain
- Logistics Value Add Services

Complete customer satisfaction is always our priority, and it contributes to us, the continuous growth and long-term survival. To achieve our objectives, our quality policy will:

- Target appropriately and directly to our company objectives
- Comply with the commitments and requirements with aims to continually improve the effectiveness of our quality management system
- Lead the appraisal frameworks in reviewing our quality objectives
- Be communicated and made known to all staff members in our organization

And to reach our objectives, all staff are required to:

- Provides full coordination and cooperation to all internal stakeholders
- Familiar themselves with and understand completely the procedures of the quality systems relevant to their areas of works
- Follow and comply with the requirements of procedures
